True Chester + Judie Love

To all of my friends
I shall never forget them all
they were all so nice to me. I hated
to get in to good with any of them
because I knew this wouldn't be my
permanent home. But I'll never forget
any of them Chester I love and O.K.
I like, they are the cute us and I
think they are the Most? Well I'll
never forget my best friend of all
She helped me in sorrow and gladness
and all the good times we had, Darlene I love
sign off for now.
